

## Rokserv Ltd – Environmental Policy

### 1. Policy Statement

Rokserv Ltd is committed to conducting its business in an environmentally responsible manner and to minimising the environmental impact of its operations, products, and services wherever reasonably practicable.

We recognise our responsibility to protect the environment, comply with applicable environmental legislation, and continually improve our environmental performance as part of our commitment to sustainable business practices.

### 2. Scope

This policy applies to all Rokserv Ltd activities, including but not limited to:

- Hire, sale, service, and maintenance of industrial cleaning equipment
- Use and storage of cleaning chemicals and consumables
- Waste generation, disposal, and recycling
- Transportation, logistics, and on-site service activities

It applies to all employees, contractors, and suppliers working on behalf of Rokserv Ltd.

### 3. Our Environmental Commitments

Rokserv Ltd will:

- Comply with all relevant environmental legislation, regulations, and codes of practice
- Prevent pollution by adopting safe working practices and responsible handling of materials
- Minimise waste generation and promote reuse and recycling wherever possible
- Use environmentally responsible suppliers and products where commercially and operationally viable
- Manage hazardous substances and waste in accordance with legal and manufacturer requirements
- Reduce energy and resource consumption through efficient operational practices
- Ensure appropriate spill control and incident response measures are in place
- Promote environmental awareness among employees through training and guidance

#### **4. Implementation & Responsibility**

Overall responsibility for this policy rests with senior management. Day-to-day implementation is supported through operational procedures, training, and supervision. Environmental considerations are incorporated into risk assessments, method statements, and supplier selection where relevant.

#### **5. Monitoring & Review**

This policy will be communicated to all relevant employees and contractors and reviewed annually, or following significant operational or legislative change, to ensure ongoing suitability and effectiveness.
